DRAWER Lighting

Bright where you need it

Our new drawer lighting adds subtle illumination exactly where it matters. It activates seamlessly when drawers open, and is designed to enhance visibility and elevate the look of cabinetry, bringing both function and style to any space.

Drawer Lighting

AVAILABLE IN:
Heartland & RĒVOLA

Key Features:

- Automatically turns on when the drawer is pulled out and off when it’s closed, or after being open for 30 seconds
- Light strips mount to the top edge of the drawer box
- Self-contained lighting kit; does not require external power source or electrical outlet
- 3.7V Lithium-Ion battery pack with approximately 1 year of battery life; rechargeable using included USB cable
- Designed for Base and Vanity depth cabinets - no modifications allowed
- Works on both hardwood and solid Beech dovetail drawer boxes
- Not available on file drawer units, heavy-duty and u-shaped drawer boxes, or pencil and vanity drawers
- 3000K warm white light temperature
- Not available for Roll Out shelves
- Battery and included accessories taped to the inside of the drawer box for shipping purposes

Pricing Details (per drawer box):
